

Certificate I in

# Skills for Vocational Pathways

FSK10219 / 102374K

Certificate I in Skills for Vocational Pathways and Certificate II in Skills for Vocational Pathways are nationally recognised courses that provide students with a broader curriculum that incorporates elements of a diverse range of vocational studies.

While focusing comprehensively on English language skills, these courses have a flexible learning approach to a range of practical elective units that cover reading, writing, numeracy, oral communication and learning skills.

These courses also contain crossover electives from business, digital media, and design, providing a practical and relevant range of subjects for students who are looking for a pathway to employment or future educational study fields. Both programs have been designed to assist students to broaden their opportunities and to achieve their education and workplace goals.
